

"Prophetic word for entering 2019"

Just as Daniel opened up the windows and prayed, even in the face of opposition, the Lord says, in this season of transition ... *"Open up your heart and spirit to ME"*

"Rend your heart to ME ... for I have much to instruct you in, to guide you ... because there are multiple doors I am opening to be available to you."

"I desire to guide you in the way ahead, and to place you on the correct path that I have set before you. Therefore ... lay aside your agenda, and surrender yourself afresh to me in preparation for transition into a new season of abundance and destiny in 2019."
