The Lord says *"I am blessing this nation of Fiji and I will bless this nation. For as with Abraham, I blessed him but not just for him alone, but that he would in turn be a blessing to the nations. I have called Fiji to be a nation of blessing to the other nations of the Pacific – to be an apostolic centre. For many will come to your shores for training and impartation and then carry this back to their islands."*

"There will be such a coming and going between Fiji and the other islands. For I am blessing Fiji to be a carrier of a spirit of multiplication and entrepreneurship that will in turn flow throughout the islands. Arise my daughters of Fiji arise. For as with Queen Esther, the King extended his sceptre of acceptance to her, so I have extended my sceptre to my daughters - so arise and declare the word of the Lord over your nation and in the places I have called you to."

"This is your time daughters – arise! There is a creative anointing being released right now over this nation that will flow in many areas such as business to effect change into the nations of the Pacific. I am calling my church and my daughters to a higher level of intercession for the nation."

The Lord showed me a key for this nation. On the key was written the word **'integrity'**. I dug in the ground and planted this key as God had instructed. God is calling for intercession for the nation particularly in the area of integrity – integrity within the body, relationships and families and the nation.

My prayer warriors declare integrity and release integrity into the spirit realm over this nation.
